Dear Sir:

Application is hereby made on behalf of Forest Oil Corporation (Forest) to the Commissioner of Conservation for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the Planulina 8 Sand, in the Tigre Lagoon Field, Vermilion Parish, Louisiana.

1. To authorize Forest Oil Corporation to drill, designate and utilize the Forest Oil Corporation - E. Broussard Heirs No. 1 well as a substitute unit well for the PLAN 8 SU B at the location shown on the attached plat in exception to the well location provisions of Office of Conservation Order No. 192-N, effective April 28, 1970.

2. To find that the original unit well for the PLAN 8 SU B, the Unocal - E.E. Broussard No. 8 well (Serial No. 125427), ceased to produce in April 1971, and the use of the proposed substitute unit well will allow the recovery of remaining hydrocarbons underlying the unit which would otherwise be lost.

The Planulina 8 Sand, in the Tigre Lagoon Field, Vermilion Parish, Louisiana, was fully defined in Order No. 192-N, effective April 28, 1970.
